IGI Seminar for Students

Ideas of Gendered Innovations:  
English presentations

September 8, 2022 (Thu.)  
10:00 ~ 11:30 (in Japan)

This seminar invites Professor Londa Schiebinger, a leading expert on gendered innovations. She will review presentations by three teams of Ochanomizu students and discuss gendered innovations with them. We invite you to join us in thinking about gendered innovations.
